

BatFi Personal Use License Agreement

This License Agreement ("Agreement") is entered into between you (either an individual or a single entity, "Licensee") and micropixels software ("Licensor") regarding the use of the BatFi software ("Software"). By installing, copying, or otherwise using the Software, you agree to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, you are not authorized to use the Software.

Grant of License:

Licensor grants Licensee a non-exclusive, non-transferable, and revocable license to install and use the Software for personal purposes. This license requires a one-time payment.

Installation and Use

Licensee may install and use the Software on an unlimited number of personal computers owned or controlled by Licensee.

Payment

Licensee agrees to pay the specified fee for the license. Payment terms and pricing details are outlined separately in the invoice or agreement provided by the Licensor.

Restrictions:

Licensee shall not modify, distribute, sell, sublicense, reverse engineer, or create derivative works based on the Software. The Software is for personal use only, and any commercial use is prohibited.

Warranty and Liability:

The Software is provided "as is" without warranties of any kind. Licensor shall not be liable for any damages or losses arising from the use or inability to use the Software.

Termination:

This license is valid indefinitely as long as the Software is used strictly for personal purposes. Licensor reserves the right to terminate this license at any time, without prior notice, if Licensee breaches any terms of this Agreement.

BatFi Small Enterprise License Agreement

This License Agreement ("Agreement") is entered into between you (either an individual or a single entity, "Licensee") and micropixels software ("Licensor") regarding the use of the BatFi software ("Software"). By installing, copying, or otherwise using the Software, you agree to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, you are not authorized to use the Software.

Grant of License:

Licensor grants Licensee a non-exclusive, non-transferable, and revocable license to install and use the Software for internal business purposes. This license is valid for a one-time payment.

Installation and Use:

Licensee may install and use the Software on an unlimited number of computers within the organization.

Number of Employees:

This license is valid for small enterprises with up to 5 employees. Licensee must acquire additional licenses for larger employee counts.

Restrictions:

Licensee shall not modify, distribute, sell, sublicense, reverse engineer, or create derivative works based on the Software.

Warranty and Liability:

The Software is provided "as is" without warranties of any kind. Licensor shall not be liable for any damages or losses arising from the use or inability to use the Software.

Termination:

This license is valid indefinitely. Licensor reserves the right to terminate this license if Licensee breaches any terms of this Agreement.

BatFi Company License Agreement

This License Agreement ("Agreement") is entered into between you (either an individual or a single entity, "Licensee") and micropixels software ("Licensor") regarding the use of the BatFi software ("Software"). By installing, copying, or otherwise using the Software, you agree to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, you are not authorized to use the Software.

Grant of License:

Licensor grants Licensee a non-exclusive, non-transferable, and revocable license to install and use the Software for internal business purposes. This license is valid for a fee per user.

Installation and Use:

Licensee may install and use the Software on a per-user basis. Each user accessing the Software requires a separate license.

Restrictions:

Licensee shall not modify, distribute, sell, sublicense, reverse engineer, or create derivative works based on the Software.

Number of Users:

The number of licenses required corresponds to the number of individuals within the organization who access or use the Software simultaneously or in total.

Pricing and Payment:

Licensee agrees to pay the specified fee per user to obtain the necessary licenses. Payment terms and pricing details are outlined separately in the invoice or agreement provided by the Licensor.

Warranty and Liability:

The Software is provided "as is" without warranties of any kind. Licensor shall not be liable for any damages or losses arising from the use or inability to use the Software.

Termination:

This license is valid indefinitely. Licensor reserves the right to terminate this license if Licensee breaches any terms of this Agreement.
